How to make sure you claim your funds and rebate?

Activities reporting

- Make sure you submit the correct reports and prepare them during/after the event.

- Should have four (4) or more events held in 2024 reported in vTools Events.

- This is necessary for you to be able to claim your rebate and the funds for your event.

- Report your meetings and events to keep your SB in the best standing.

- Submit your Student Branch Annual Plan Reporting by February 1st.

Annual Events and Competitions
IEEEXtreme Student Competition

IEEEXtreme is a global challenge in which teams of IEEE Student members – advised and proctored by an IEEE member, and often supported by an IEEE Student Branch – compete in a 24-hour time span against each other to solve a set of programming problems.

16.0 Statistics	15.0 Statistics	14.0 Statistics
14683 Participants	**65** Countries	**6376** Teams
676 Student Branches	**700+** Ambassadors	

Visit the IEEE Students website at: **https://ieeextreme.org/**

Annual Events and Competitions
IEEEDuino

IEEEDuino is a student-focused hardware contest to inspire student members in Europe, Middle East, and Africa to design, build, test, and demonstrate an innovative project on an Arduino microcontroller. Innovators, makers, and developers across the region, an opportunity to take part in a hardware design and build competition and compete against others in IEEE Region 8 and win great prizes for both winning and participating!

Visit the IEEE Students website at: **https://ieeeduino.org/**

Annual Events and Competitions

IEEE Student Paper Contest

The IEEE Region 8 Student Paper Contest (SPC) began in 1967, initiated by R8 Director Jean Lebel. Held annually since its first event in Lausanne, Switzerland, it remains a key technical activity in Region 8, recognizing the importance of student research and the sharing of their findings.

Submitted R8 SPC papers 2019-2023

Annual Events and Competitions
IEEE DAY

IEEE Day is an annual event that celebrates the first time in history when engineers worldwide gathered to share their technical ideas in 1884. One of the IEEE Day's objectives is to show the ways IEEE members, in local communities, join together to collaborate on ideas that leverage technology for a better tomorrow.

Annual Events and Competitions
IEEE JSYP

The IEEE Jordan Students and Young Professionals Congress (IEEE JSYP), organized by the IEEE Jordan Section, has been fostering creativity since its debut in 2008. This conference brings together young developers and industry leaders to explore cutting-edge technology.

Visit the IEEE Students website at: **https://jsyp.jordan.ieee.org/**

Annual Events and Competitions
IEEE PITCHINNO for Entrepreneurship

It is a competition organized by the Entrepreneurship Committee of IEEE Region 8, with four editions hosted in Jordan. The competition aims to inspire and foster innovation and entrepreneurship among Jordanian youth.
