MGA Awards

MGA Awards and Recognition Program

The awards and recognition program of the Member and Geographic Activities (MGA) Board is designed to promote, recognize, and reward excellence in promoting the interests of IEEE as reflected in the operations of MGA and IEEE geographic unit activities (Regions, Councils, Areas, Sections, Chapters, Affinity Groups, Student Branches, and Student Branch Chapters). The program is administered by the MGA Awards and Recognition Committee (MGA ARC).

See the full list of MGA Awards

R8 Awards

Awards & Recognitions Committee (ARC-8)

- Margaretha Eriksson (Sweden) – Chair – Ex-Oficcio
- Costas Stasopoulos (Cyprus) – Past Chair
- Jaafar M. Al Ibrahim (Saudi Arabia)
- Igor Kuzle (Croatia)
- Athanasios Skodras (Greece)

Responsibilities of the Region 8 ARC
The Region 8 Awards and Recognition Sub-Committee is responsible for informing the Sections and Chapters of the IEEE awards program. In particular, the Sub-Committee is responsible for the administration of the Region 8 awards and recognition program. It aims to make all members in the region aware of the awards available, and to encourage them to nominate candidates from their Sections, Chapters, etc. The Sub-Committee is required to follow the procedures defined in the Rehion 8 Operations Manual before an award is made. It also liaises with the Student Activities Committee (SAC) and the Chapter Co-ordination Sub-Committee in regard to the awards administered separately by them.

IEEE SAC JORDAN

IEEE Regional Exemplary Student Branch Award

IEEE Regional Exemplary Student Branch Award

Eligibility Criteria

- Award will be presented annually to each qualifying Student Branch in each Region, without numerical limit.
- To qualify for the award, a Student Branch must conform to IEEE bylaws, have an active program, and support IEEE goals.
- Student Branch is active in the paper, device, and other competitions, and has an active program of meetings and field trips;
- Evidence that the Student Branch is striving to meet the scientific, educational, and professional purposes of IEEE.
- Only the activities, initiatives and accomplishment Information about the previous calendar year will be considered for evaluation. Nominators are requested to
- provide only that specific information than historical data. i.e 1st Jan to 31st Dec of Previous Year

Deadline
Deadline is 31st March of each year

Prize
A customized digital certificate attesting to the exemplary operation of the Student Branch.

IEEE Outstanding Branch Counselor and Branch Chapter Advisor Award

Eligibility Criteria

- Nominating Branches, or Branch Chapters, must meet the requirements of IEEE Bylaws, in the current academic year, by submitting required reporting forms and
- holding at least three meetings during the year.
- Past winners are ineligible for re-nomination.
- Regional Student Activities Committee Chairs (RSACs) are also ineligible during their term of office.
- Nominating Student Branch must have done the VTools Officers Reporting and VTools Student Branch Reporting to be qualified for this award. I.e Branch Counselor
- must be reported in Vtools Officers Reporting.
- Branch Counselor or Advisor must have completed a minimum period of at least one year in office to be eligible for this award.
- Student Branch or Branch Chapter must remain active for a period of at-least one year to be eligible for this award.

Deadline
Deadline is 31st March of each year

Prize
A customized digital certificate, one year of complimentary membership in IEEE. In addition, the Student Branch that submits the nomination will receive a US$150 cash award.

IEEE SAC JORDAN

Student Branch of The year

The purpose of this award is to identify the Student Branches that have conducted quality events, workshops, projects, etc. for the benefit of students. The Region 8 Student Branch of the Year Award is given to student branches that have maintained membership, provided student members with opportunities to volunteer, and helped in promotion of IEEE and its mission. This award will help improve the membership, membership satisfaction and retention.

Eligibility Criteria
All Region 8 Student Branches that have been applied for the IEEE Regional Exemplary Student Branch Award are eligible for this award.

Prize
A customized digital certificate

Student Branch Membership Growth Award

● Why? Recognize the essential work of the student branches in Region 8

regarding student membership growth, and also to promote and encourage

student branches to work in that direction.

Outstanding Branch website Award

● Why? Recognize those student websites that provide information about

the activities, latest tech updates, learning opportunities, IEEE Benefits

etc. through creative digital efforts aimed to make it easy for students of

their student branch to obtain the information.

R8

Chapters and Affinity Groups awards

Chapters Awards

General Awards:

- IEEE Region 8 Chapter of the Year Award
- The Darrel Chong Student Activity Award

IEEE Region 8 Chapter of the Year Award

The Award is intended to recognize the outstanding performance of Region 8 Technical Chapters and Student Branch Chapters:

1. Technical Chapters (categories: Small, Medium and Large)
2. Student Branch Chapters (categories: Small, Medium and Large)

Nomination and Selection Procedure

To be considered as a nominee, this form must be completed describing activities and associated contributions made by the nominee in the activity period **January 1 through December 31 of the year for which the nomination is considered.** This activity should also be presented with appropriate supporting documents e.g. meeting programs, newsletters, councils/societies' or councils/societies' newsletter articles or website addresses.

The nomination must be endorsed by the section chair. The section chair (or a designated section authority) is kindly requested to submit the completed nomination form and upload supporting documents online.

The submission takes place through the R8 Awards portal. Please note the dates on the portal as nominations sent before or after these dates will not be considered.

For further information, please contact the Chapter Coordination Subcommittee Chair at chapters.officer@ieeer8.org.
Additional information on IEEE Region 8 Awards can be found here.

IEEE Region 8 Chapter of the Year Award

Deadline:

The Region 8 Chapter of the Year Award / Region 8 Student Branch Chapter of the Yeard Award opens on 5/3/2025 12:00 AM and closes at 15/6/2025 11:59 PM (UTC-05:00) Eastern Time (US & Canada)

Important Notes:
- Selection is based on the outstanding performance of the nominated chapter.
- Nomination form and supporting documents required
- Categories: Small (<25), Medium (60–25), and Large (>60) Branch Chapters.
- Prize: Framed Shield from IEEE Region 8.

IEEE SAC JORDAN

The Darrel Chong Student Activity Award

The purpose of this recognition system serves to change the mindset of our student groups, from being number-driven to becoming value-driven .

Eligibility Criteria

- This award requires interested student groups to submit a description of an organized activity.
- This award shares four categories: Bronze, Silver, Gold, Platinum (in the order of increasing value).
- Annually, there can be several winners per award category or none, depending on the number and quality of submissions.
- Activities that have been organized more than once will be given more consideration. The intent is to improve consistency, encourage spurring Student Branches to discover their niche and to continually improve upon it.
- Winning activities from previous years can only be elevated to the next highest category, based on significant improvements to their activity model since past submission(s). They are not eligible for a lower award category or the same one, upon resubmission in any subsequent year.
- All IEEE Student Branches, Student Branch Chapters and Student Branch Affinity Groups are eligible for this award program.
- Any operational unit (OU) can submit a maximum of only two applications per year, including all its subunits., i.e. a Student Branch, its Student Branch Chapters or its Student Branch Affinity Groups cannot submit more than a total of two applications.
- Activities organized by multiple OUs are also eligible for this award, but must be represented by the same, singular application.
- Submitting more than one nomination for the same activity, even if it is submitted by different OUs, will result in immediate disqualification.

IEEE SAC JORDAN

The Darrel Chong Student Activity Award

Nomination Process

- Fill in the nomination form and complete each section in a concise manner, explaining how the activity qualifies for this award.
- Attach an endorsement letter acknowledging and/or recommending activities in the nomination from the OU Counselor/Advisor.
- The nominator(s) shall submit their nomination via the Student Awards Portal
- If you require additional information about the award or the awards process, you may contact us at sac-awards@ieee.org

Evaluation Criteria

- Each entry will be categorized as one of the four classifications: unranked, Bronze, Silver, Gold, Platinum (in the order of increasing value).
- Judging is carried out primarily on the following criteria:
- Implementation (0-20)
- Repeatability (0-15)
- Results and Outcomes (0-45)

Prize
Winning OU will be presented with a digital certificate. Platinum category winners will receive an award plaque.

Deadline
Deadline is 31st March of each year

IEEE YP FUNDING

Types of Funding

Student Transition and Elevation Partnership (STEP) Funding

Maximum award is US$500

STEP events unite IEEE Young Professionals and IEEE Students to help facilitate the transition from Student to Young Professional.

STEP events expose existing and potential IEEE Members to IEEE Membership benefits, YP services, and pathways for continued involvement with IEEE.

Apply

Local Activity Funding

Maximum award is US$750

Local Activities assist volunteers developing and implementing local-level initiatives. Organizers may structure Local Activities to most effectively engage participants.

Local Activities engage IEEE Members in technical and non-technical events, which may involve industrial, academic, governmental, and/or other partnerships.

Apply

Meet-up Funding

Maximum award is US$1,500

Meet-Up funding supports IEEE Members in a shared geographical area to network. Organizers are encouraged to co-locate Meet-Ups with large-scale events.

Meet-Ups provide IEEE Members the chance to collaborate, receive and offer feedback, and create new professional relationships.
